Kathy Newsom lit a candle in honor of Gerald.

I light a candle in celebration of Gerald's life. As his spirit has advanced into the hereafter, you too will continue to live in his undying love and memory so so close to your hearts. The only difference these days is, he's watching over you now in the most highest of high places. You all supported Gerald with such wonderful care and dignity, something you need never doubt, but embrace the grace and honor of total dedication. I can promise you Gerald is busy in his afterlife but rest assured, he will be checking in on you all from time to time ... he's only a whisper away. Much love to you all.

Gerald (Jerry) was a regional sales manager when I was a division sales manager for the Minneapolis Division during the 1980s. I liked Jerry and we worked very well together. We both loved fishing. I am so sorry to learn that his physical body (vehicle for his spirit/soul) is now gone, but his spirit will live forever.

Papa was my driver to my wedding and helped me out of the car to marry his grandson, Jason Mineo. He made me feel like family instantly and I will forever miss his kind heart, loud singing during the happy birthday song, and stories of the past. We miss you Papa.
