**L**ois Louise Koger Dalpiaz passed away on Sunday, April 21, 2019 in Covington, LA. She was born on February 24, 1947 in Hood River, OR to the late Ora Iver James Koger and Wilma Evelyn Rhoades Koger.

Lois was the beloved wife of Jerry Olsen Dalpiaz, and the loving mother of Darren Dalpiaz, Michael Dalpiaz, Nikki Erickson (Graham, Sr.), and Luke Dalpiaz. She was proud of her 10 grandchildren and 3 great-grandchildren. She was the sister of the late Betty Adams, Clayton Koger, Laurence Koger, and Berneda Haight. Lois is also survived by numerous nieces, nephews, cousins, and other family members.

My heart is sad losing such a beautiful person. I know she is alive with Jesus her friend, but to all of you my love and prayers. The many times we shared dinners, birthdays, bowling, fun with the adults group built on family participation the memories are all positive, and so grateful! I am so grateful to know you all and who each of you is as a person. Prayers, gratitude and hope in the Lord to give you the graces to carry you through the days ahead. Love, Carmen, Jerry, Douglas O'Mara

My sweet dear friend Lois, so full of life! I was drawn to her the moment I met her while she was working at Fairway. Our friendship grew over the years we laughed together, cried together, and I'm sure we solved the world's problems together if someone would have just listened to us! I will miss your company as will the many who had the privilege to know you. Part of me rejoices because I know you are resting in the arms of our Savior, but my selfish human mind mourns the loss of your company. One thing I will not mourn is the loss of your love, I carry it wherever I go. My dear friend Lois, save a place for me because we will see each other again and such a sweeter reunion has never been seen or known on this earth. Until we meet again ♥

From the first time I met Lois, drinking wine at the pool with Luke and friends, she treated me like family. So funny, blunt, and full of life. She was a joy to be around and will be missed.
