Pam , Scott and family. I have been praying for Logan and you guys and remembered how I knew Logan this morning. He went to school with Shelby when they were little. My heart is broken for you. I want to tell you that I will always remember what a sweet spirit Logan had and his piercing, little eyes. Of course, it has been many years since I have seen you guys but know Logan touched many hearts along his journey and I will continue to pray for the family. So sorry for your loss. Amy Bernard
