Mary-Catherine Jones posted:

I was sorry to hear of Sue's passing and offer my heartfelt condolences. My mother, Alma Marie Fuxan Quintana was Sue's younger sister. Before her passing in 1993, my mom was happy that I could spend some time with Sue while I attended Loyola University in New Orleans, 1988-1992. Since then, I've often thought of Aunt Sue—especially when I go to yoga classes. She introduced me to her love for yoga when I was studying dance at Tulane. She would pull out her yoga mat and blocks and nimbly demonstrate with surprising ease for a woman of her age. She lit up when I'd ask questions. We'd have lunch, tea, good conversation and look forward to when we'd see one another again. My prayers are with all of you. ~Mary-Catherine Jones (Quintana)
