I will truly miss Aunt Julie! She was filled with love and kindness. She remembered everything. She took care of us as kids. When we would spend the night with Jan we would go to Aunt Julie's to play. She was such a sweet person. I love you Aunt Julie. R.I.P.

Aunt Julie would watch my children when I had to go out of town for the day. The children loved her so much and would just be full of stories about what fun they had with her and Uncle Bob. You will be missed by many and will remain in our hearts forever. Rest in peace.
