I just saw this and I am very shocked that precious Tara died. I worked with Tara at Baby & Me years ago and she was the nicest person you could ever hope to meet. Kind and caring, upbeat and smart, and always always always smiling. The world has lost a wonderful woman.

Tara's smile could light up any room she walked into. I called her my "Dollface " and to me she was always the prettiest girl in the room. I was always so proud to call you my wife for over 15 years. We may have gone our separate ways but nothing has ever change the fact that I never stopped loving you and will. I love you Dollface
