Rest in peace Coach Vinnie. Taught me how to play football, basketball, and baseball. His selflessness for his players, and other people is something I'll never forget. Not only did he properly teach me sports, but he also taught me how to be a better person. Thankful for all the time and great coaching he poured into Abita Recreational Department, blessed that I was one of the kids that got to experience years of his coaching. Truly a special person and such a great family. I'll miss ya coach
