This weekend, our 1974 class of Catholic High School had its 45 reunion. Last night, one of our classmates read the list of those who are no longer with us. I - and many others - were not aware that Darryl had passed away. We had prayer and a moment of silence for our classmates - and those from Mount St. Mary's - so if you felt a little stirring of the moment, perhaps it was a flutter of angels' wings. I am very sorry for your loss. Most of my memories of Darryl were from high school. He was a serious student but was so smart and had the best sense of humor with his quick smile and laugh. The weekend of getting back together as a class reminded me of what amazing people we had (have) in our class. Darryl was certainly one of those wonderful human beings who changed with world for the better, and I am proud to have known him. Take care, Paulette family. Byron Tate

I am so sorry for your loss. you and all your family members are in my thoughts and prayers.. Darryl was a Great person, friend and High School Classmate of mine.. We were all part of the North Little Rock Crowd that went to Catholic High School in Little Rock , CHS Class of 1974.. I would go over to Darryl's house a lot, hang out and listen to all his Record albums.. He had quite an extensive collection.. and he would play his guitar along with some of the songs.. One other fond memory of mine was Driving down to West Palm Beach Florida in my families Sun Bug ( Gold VW Volkswagen Beetle with a Sun roof..) . I believe it was the summer after we graduated High School.. What a Great Trip Darryl and I had.. Big "D" will be truly missed.. Craig Majkowski
