I will miss her smile mostly because I was her dental hygienist! She loved her family immensely. She kept me laughing and brought joy into any room. She teased and joked with Buddy, her husband. She definitely loved Drew Brees as well! Prayers and love to the family. Betsy Hollington

Yvonne was everything a true friend is supposed to be. She put me and my problems before herself. We chatted almost everyday for the last two years and not once did she complain. She would ask me about my day and I'd lay it all out there. I'd ask about hers and she'd tell me all the positive s, I can't imagine it was all good...she was fighting a battle for her life....but you would not have really known it. I'm gonna miss her so much....I've never lost a close friend....Heaven gained an angel today for sure!! I keep hearing her say " hey friend, watcha doin?" And I imagine I'll hear that often as her memory will live on in my heart. From here to heaven I'll shout back " we got this!!" Soul sister ...I'll see you on the other side!!
