To My Loving Family! AM WITH YOU STILL I give you this one thought to keep I am with you still- do not weep. I am a thousand winds that blow. I am the diamond glints on snow. I am the sunlight on ripened grain. I am the gentle autumn's rain. When you awaken in the morning's hush, I am the swift uplifting rush Of quiet birds in circled flight. I am the soft stars that shine at night. Do not think of me as gone- I am with you still- in each new dawn. This is to my family to have every time you miss mom. Read it and remember "SHE IS STILL HERE" I know you are not physically with me but I know you will always be by my side. You did a great job raising us by yourself. I think we turned out pretty darn good. It's time for you to rest and be pain free. Go keep that crew in line. I LOVE YOU MOMMA!!!!!!!!!!
