Mrs. Jeannie and Shelley I am so very sorry for the loss of Mr. Pug. He was very dear to my heart and I will miss him more than words can express. I had so much respect for him and there were countless times that I looked to him as a Father. I will always remember his smile and laughter and I cherish the stories he told not to mention the things that he taught me. He was a super intelligent man that I'm sure so many benefited from his knowledge. I don't recall any question that I asked of him that he could not answer. I not only respected his business and history knowledge but I respected him as a genuine, good and very unique person. Love you both so very much and my thoughts and prayers are with you!
