Well this was unexpected. I'm sorry for your loss. I went to dive school with Elvis. We started our first offshore jobs together in California and lived together for a few years. He was at one point my closest friend. I'll never watch a Seminole game without laughing at those memories. Your family is in my prayers.

I am so sorry for your loss. I know how much his family meant to him. I remember seeing him at the children's school many times. I remember his friendly waves as he passed by in the neighborhood. I can't imagine your pain right now. May God grant you peace and strength
