"Some day I'll wish upon a star and wake up where the clouds are far behind me...where trouble melts like lemon drops upon the rain and chimney tops, that's where you'll find me..."Although the time together was short, I will always treasure the moments spent with Dottie. It was an honor and a blessing to have been able to care for such a beautiful soul. May God grant all of you peace in knowing you will be together again in Heaven.
