I had no idea until a coworker notified me. Mrs Candace was a perfect and precious teacher who always went miles ahead. CES surely has a hole in the soul of it's structure now that simply can't be filled.

Words cannot begin to express our sorrow. My grandson is in her class and not only did he love and adore Mrs. Baham, he thrived and loved school again. Our family is cautious toward entrusting anyone to care for my grandson but Candice quickly put our concerns to rest the first day of school for the 2019-2020 school year. She was a blessing to us all and will be greatly missed. Prayers for healing for everyone blessed to have known and loved her.

This is so tragic! Mrs. Baham was my daughters special education teacher at covington elementary. Our family got the call before school on Friday. My daughter adored Mrs. Baham and I know she will miss her very much in class! 😞 Her family is in our families thoughts and prayers!
