Mom I continue to watch the video of you. I went by the gravesite yesterday. It hurts so much. I miss everything about you. I just wish there would have been more time. You were so strong in the end. Give Dad a kiss for me. So happy you are pain free but feeling empty. I know you will both watch over me and the kids. I will never forget you and the memories we made. Fly high with the angels. I love you more than anything. Karee Marie.

Whenever I think of Betty, the image that instantly comes to mind is her beautiful smile and joyful approach to life. She lived a beautiful life and loved her children and grandchildren so much. Those of us who knew Betty - both family and friends - were truly blessed. Her Celestin sisters have so many wonderful memories.
