Wow I don't even know where to start. Matt was one of my best friends in high school and we got into all kinds of things together. There was something special about him, he had a way of making you feel like you were the most important person in the world. As happens as we get older, we lost touch but I remember seeing him in NOLA on one of my trips home. That bond was still there, Matt was still Matt and it felt like no time had gone by. I wish the family peace. Matt, I'll send some voodoo love to you in the stars.

I am so very sorry for the loss of Matt. I have always wanted to meet Matt, as he was a very close friend of my son, Alexander Devenport Kirby. Matt was one of the few people who stated publicly that he would never abandon Alex. So many broken hearts. I am sending Love and Healing Prayers to all members of Matt's Family.
