Diane, Most of my memories of you were when we were kids. Especially those week long visits to Maple Lake. Of course, there were a few visits in North Dakota in later years. You were always so much fun and so joyful. Anyway, give your Mom & Dad a big hug from us. Lots of Love, Barb & Gary "O"

Dear Melissa and family, I am so sorry to hear that your wonderful mother has passed. I have very fond and vivid memories of her kindness and perfect midwestern sensibility. My daughter is five now, and has just started in Girl Scouts. It should come as no surprise that I think of you three girls and your mom often as we meet with our Brownie/Daisy Troop. I hope that I can live up to the standard she set as a mentor and leader for so many young women. May her memory be a blessing to you all as she rests in peace. With so much love and prayers for your comfort in the midst of grief, Courtney (Harris) Reed

Mr. Butch, Melissa, Allison and Jennifer - My heartfelt condolences and prayers are being lifted to our God for each of you and your extended family. Mrs. Diane was such a loving, caring and compassionate woman who supported her family in all of their adventures (school sports, dances, deployments, marching band, etc). She always made me feel part of the family as many days and nights were spent together during high school into our early college years. She always enjoyed when we were at your home - most likely because she always knew we were safe and sound and knew exactly who we were with. :) Love and blessings to each of you. ~ Margret Huval
