Prayers for the family. I, too, remember him well from SVTI. He had the challenge of teaching me how to govern the student body. He stood up to the challenge and I still use and pass along many of his pearls of wisdom today. I shared one with someone last week: "Put the troublemakers to work." That has worked numerous times since the 1980's. God bless the family and friends. Toby Hughes

So sorry to hear of his passing. I remember Mr. Gary from when I attended Vo-Tech in the late 80's. He was a very kind and polite person. He always had a good word when you needed it.
