Praying God's strength and comfort to the family during this time of grief and the days that are ahead. Bertha was always such a sweet soft spoken lady, always smiling when we would meet. I know so many will miss that Easter with Jesus and her loved ones that have welcomed her home. GOD BLESS.

Ms. Bertha was such a dear sweet lady. I remember when she would come into the office to get help about her property and was always such a joy to wait on her and talk to her. I just asked Marcus a few weeks ago when I saw him at the courthouse how she was doing? Prayers for Sharon and Marcus. I know she will be missed.

Bertha and I have become closer over the past few years. I will miss our phone conversations and talking about the past and looking forward to the future. She was a special lady and will be missed by so many. She also was a hard worker, always outside doing clean up, mowing grass to keep the place looking nice. Even though illness came along she was a fighter and never gave up, pushing hard to get well. She and I had the same thoughts, that when God was ready for us we would go to a better place. RIP Bertha. With Loving Thoughts of you, Shirley Lee
