My condolences to the Rushing family.....Me and his little brother Eric grew up together. I remember when we all played little league football together. Manny was always a few years older than us but we used to love to watch him with the Covington Chargers he was a hell of a running back!!!! R.I.P bro

TO MY BROTHER, THE PAIN I FEEL IS MIXED UP WITH THE FEELINGS OF DISBELIEF THAT YOU ARE GONE. I PRAY TO GOD EACH DAY THAT HE WILL GIVE MY PARENTS THE STRENGTH TO DEAL WITH THE GRIEF. NO MATTER WHAT WE'RE GOING THROUGH I TOLD MY BROTHER THAT I LOVE HIM, AND NOW TILL I GO HOME A PIECE OF MY HEART IS GONE. GROWING UP MANNY WOULD GIVE ME SOME BIG BROTHER PROBLEMS, I GUESS HE WAS JUST MAKING ME TOUGH FOR THIS DIRTY WORLD. THE DIFFERENCE IS HE NEVER LET ANYONE ELSE MESS AROUND WITH ME, A LOVING PROTECTOR. I NEVER CHANGED AND ALWAYS LET MANNY KNOW I LOVE HIM. NOW HE WILL LIVE ON IN MY MEMORIES. I LOVE YOU BIG BRUDDA. PRAY GOD LET US REUNITE, UNTIL THEN LOOK OVER THE FAMILY, LOVE YOU FRESH. LIL BRO

I always would say hi or acknowledge him I knew his family from Christwood and I worked in property management in Mandeville a lil over 15 years ago. I always saw him working at Popeyes. God fearing loving family and he was quiet soft spoken but would acknowledge you if you spoke with him. He helped me with a dresser I was trying to unload from a uhaul once and I thanked him. He said he had eaten something his mom cooked the last time I saw him around EASTER. There are some unanswered reasons behind his death but GOD has a way of REVEALING those things and they will answer to HIM. May GODS MERCY ENDURETH FOREVER! AMEN

Ann, you and Emanuel raised an awesome son. I was blessed to have been a part of his life. He was respectful and kind, an humble person, which is a reflection of his upbringing. I am so very sorrowful that his earthly presence is no longer with us, but his memories will forever be with us. I know that your faith in God is strong and he will give you comfort. Love always-Your friend Gloria Talley-Sullivan and Family
