There are no words to describe the heartbreak of losing such a sweet and wonderful friend. All the luncheons we shared at DISA were a highlight of the day with you there. You will be missed by so many and made such an impression on so many lives. Rest In Peace now until we meet again. Dianne

I will always remember our days at work. You always kept the office moving. We worked hard, but had some laughs. I also smile when I think of the work trips we took. Again we worked, but always had time to laugh. You will truly be missed by all who knew you.

What a beautiful tribute to a beautiful Mother, Grandmother, Daughter and Friend. I will always remember the wonderful times my friend and I spent time together over the years whether it was playing baseball, racket ball, traveling and our best was Jazz Fest. Karen will most definitely be remembered by me as a giving person and a true friend. I will miss you everyday until we meet again. Love you my friend, Cynthia (Cindy)
