Terry Anthony Guillory

MAY 6, 1961 - AUG 25, 2020

Terry Anthony Guillory, age 59, entered the gates of heaven after passing away peacefully on August 25, 2020, following a courageous battle with cancer. He was born on May 6, 1961 in New Orleans, LA.

Terry loved life and he loved people. He had a fantastic sense of humor and an even more fantastic sense of loyalty to those he loved. He was a son, a brother, an uncle, a godfather, a friend, and a best friend to more than one person. If you were fortunate enough to know Terry, you knew love and you knew laughter. You also knew he was not one to be trifled with as he did not suffer foolishness for very long.

After attending Mandeville High School and Southeastern Louisiana University, he became a successful entrepreneur. Terry possessed a servant's heart. That was his key to success, and life. He knew how to talk to people in a manner that was honest and real. His customers loved him, and he loved his customers. As a Christian, and a Catholic, he believed in treating others as he wished to be treated.

Terry was preceded in death by his beloved mother, Madeline Langhauser; his stepfather and friend, Roy Langhauser; his father, Hamilton Guillory; his sister, Cheryl Guillory; and his brother, Edward Guillory. He is survived by his sisters, Darlene Williams; Brenda Bertucci (Gerald), Robin Stevens (Kenneth); and his brothers, Kevin Guillory (Kim); and Robert Guillory (Tracy); as well as by many, many friends.

He is also survived by a host of nieces, nephews, great nieces and great nephews, all of which he loved very dearly. He was always active in their lives from the moment each of them entered this world. Terry truly loved, and lived for, his family.

Relatives and friends are invited to the Liturgy of the Word at E.J. Fielding Funeral Home, 2260 W. 21st Avenue, Covington, LA 70433 on Friday, August 28, 2020 at 2:30 PM with visitation from

I met Terry through my daughter, Kimberly. They were good friends and that friendship lasted for many years. I got to know Terry and knowing him means loving him. He was the laser at every get together cutting through the BS like a hot knife through butter. What a personality. He always made everyone laugh and his heart was incredibly big. I will miss him.

I will always hold a special place in my heart ❤️ for you Terry. I haven't know Terry very long but, I am so happy he came into my life. He is such a caring person always doing for others and never wanting nothing in return. Terry was a giving person and truly loved people and never met a stranger. I am going to miss our card night even though you never won you always said you were just donating your money! Let's not forget you would always bring food too to feed everyone. We had a lot of fun times together and it will never be the same without you there. Not sure if I will be able to play Cadillac again but, if I do I will be thinking about you. I'm so happy we got to celebrate your birthday with you and really surprised you! Even though you said if you would have known you wouldn't have come and I said that's exactly why you didn't know. Thank You for being so kind to my sister and her family. You just took all of us in and I know you loved us as much as we loved you. Please know we will miss you! Until we meet again in Heaven! Love ❤️ always Debbie Parker
