Susan was always the sunshine of the misdemeanor courtroom which I have seen since 1999 when she first began in that position. I am sure there were times of frustration on the inside but she never showed it on the outside. She was always happy to see attorneys and friends in court and out. She was kind and considerate to all, and as we know misdemeanor court can be overwhelming at times due to the high volume on a docket each day. It will take quite awhile to adjust to not seeing her beautiful smiling face in the courtroom. I send my condolences to her family to include her former husband Dan Foil and her beautiful daughter in this time of loss. I am sure she will be looking down on us as an angel shining down on her friends and family. She will be dearly missed. Julie Knight

I didn't know Susan well. I met her soon after she gave her life to Our Lord Jesus Christ. She was juggling the care of her father, multiple residences and even at times her own health; but she was ,also, eager to serve the Lord. Susan served on multiple prayer teams.I served with Susan a few times. I listened as she interceded in prayer for people troubled by events in their lives. She had empathy and compassion. I ,also, witnessed her tears and broken heart at what she perceived as injustice, in her own life. Like most of us, Susan was a complex person walking out her life in search of the truth.Based on what I saw, she found that truth in Jesus. Susan had a bouncy inner joy. She shared that joy and what she had found with others through her service to others.I am confident that Susan is now with the Lord she served. So, I offer this prayer at her passing, for her family."The LORD bless you and keep you; The LORD make His face shine upon you, And be gracious to you; The LORD lift up His countenance upon you, And give you peace." "So they shall put My name on the children of Israel, and I will bless them." Numbers 6:24-27 NKJVRoberta

I gave a deposition last year in Metairie. In walked Susan. That was wonderful! And, the depositions ended on a humorous note. Must have been her presence. I helped with many Theater productions Susan was in. I believe we first met in 2006. Susan was in "A Christmas Carol", "Babes in Toyland", "Oliver", and others. She told me once, "If you want to raise __ amount of money, write yourself a check for that amount and put it in a drawer. Then you will make that money." Always so positive, was Susan. And, always really fun! In traffic court, she mouthed to me, "What are you doing here?" Susan looked shocked to see me with the other violators. I was determined to show the judge my pictures of the street with no "speed limit" signs. Susan had a lilting voice that made you feel happy and was always encouraging.
