Tillie was a very special lady. She was Queen Eve 13, in 2000 and I was her King Adam 13. The Alfa and the Omega. She was special in so many ways and she will be missed greatly by all of us who knew and loved her. May she Rest In Peace with her real life King Frank throughout eternity. Bill Dobson and Family

Stan and I cannot attend Miss Tillie's service, but we want you to know how very sorry we are to know you have lost your dear mother. We both have fond memories of her. She loved UMW and took me to a big conference one year to get me excited. We were actually roommates! Stan has ridden with her more than once to conferences and enjoyed her delightful company. She certainly shined her light for all to see. When we are comfortable returning to church gatherings, I will miss seeing her sweet face. Pam Maher

Loving, generous, and always in charge! My earliest memories are of going to Aunt Tillie and a Uncle Frank's to get ready for weddings. Then there was the beach condo that she shared with our family so many times. Her Four Layer Dessert recipe she taught me to make when I was about 15 years old is a mandate at our family gatherings for Thanksgiving and/or Christmas every year. The baby blankets she made for my kids... Those HUGE Cadillacs she drove....and the memories go on and on. A life well-lived. And a legacy that will live on. I am blessed to have had such an amazing aunt! ❤️
