Julie and Mark, I am so sorry to hear of Aunt Louann's recent passing. I loved her dearly and will never forget her. Some of my fondest memories are most laughable moments are from when you all would come to visit us in Maine. I think about those moments often and wish we could go back sometimes. We used to have a lot of fun when we all got together, which wasn't often enough. She is now with the rest of the family in Heaven and with that bunch up there, Heaven will never be the same. She will remain with us on earth always in our hearts and in our fondest memories. You will be in my thoughts and prayers during this difficult time. I know I can only provide comfort to you with my words, but please know that God will remain with you during this difficult time. Try to take comfort in knowing that we all have another angel watching over us from Heaven. I love you both, take care and please stay safe. Your cousin Vicky

Thanks Vicky. I made a statement that now the family is all complete I bet they are having the biggest party that will last forever!! don't know if you heard Dad passed on Aug. 30th so I bet he's right by their side dancing. They had a full life of 82 years. God blessed them & God has blessed me with love & strength for them to go on & finish my duties here in this world so I can one day join them too. The memories of the summers we spent with you guys will always be special to me. Take care and be safe. Love, Julie

Betty you said my sentiments exactly even acknowledging Mr. Otis. I can not express the extent of my love for this woman as mama with all my heart. She is surely GOD's angel above.

Louann was my friend. I have missed her so much since the day she left Legacy Lane. My dogs and I used to sit in the grass at the edge of the road and visit with her while she sat in her car. I enjoyed hearing her stories of raising her family in Covington as well as stories of her early life in Maine. May she Rest In Peace.

My sweet Aunt Louann always had a smile on her face and a twinkle in her eye. That's how I will remember her. She is at peace with God and will enjoy eternity with her family that went before her. I remember the first time meeting Aunt Louann and welcoming her into the family as the beautiful young bride that came here from Maine to raise her own family and make her friends and a lifetime of memories.I will miss you my dear Aunt Louann.Pat Rogers Brooks

MS. Jane, We did have some fun. No one was going to get the last laugh with Mom. She made sure of it! Lol!

Dear Julie and Mark, Where can I start? We have so many wonderful memories but the best we're our camping days! One of my best memories was one night Maggie and I waited until Lou went to bed and we toilet papered her camper. Then we went to bed and in the morning when we got up both of our campers were toilet papered and hers was clean as a whistle. She always had one up on us. Those were the best days ever. We were the 3 stooges for sure. Your Mom was certainly one of a kind. I loved her dearly and so did the boys and Jodi. Jane Gennusa
