I was sorry to hear the sad news about Guy. He was a wonderful neighbor. He'd always give a wave or we'd talk when we passed on our walks and bike rides. So many of us enjoyed his little library on the corner of his house. I still look for him riding in his car in the neighborhood after he moved and at the polls. He will be missed.

I was so sorry to hear of Guy's passing. He was a wonderful friend that you could always count on. He was my neighbor for over 23 years. We had such a wonderful group of people on the last street in the Mandeville city limits. I have great memories of times spend with your family. He will be missed.

I met Guy while doing a story on the Little Free Library he built in front of his house. He so inspired me, that we built one in front of our home, too. He had a willing smile and a happy heart and it was a true pleasure to have known him. My thoughts and prayers go to his family.
