We. are so very sorry for Eddie's passing. We were making plans to get together and did not know the extent of his illness. I have known Eddie almost since he was in diapers. He and my brother played together outside our house. As the older sister, I remember the shenanigans between these two kids. Then later got to know Eddie as an adult, Sandra even worked with me at my business for a short while. This has been such a shock, and a loss of a friend, we can relate to the loss the family feels. Take solace in the great memories of a wonderful guy. Edmond and I Send our most heartfelt sympathies to all.

My condolences to the family and friends of Eddie. I worked with him on the Fire Department for many years and had many long conversations when things were not busy. He was always a great guy to chat with. I missed him when he retired and will always remember him. He always used to unexpectedly hit me with a wise crack or comment that we would laugh about!District Fire Chief Kevin Zanca (retired)

So blessed to have had a brother so loving and caring as Edward was. I will miss him dearly. you never forgot the day I was born, that I was a mother and holidays which were meaningful to us; those phone calls meant the world to me. The gatherings we had the last several years with you and Diana were cherished; allowed us to spend precious time together. I will see you again one day; but until then, my memories will be held deep within my heart. Love you Edward. DEB

I am so sadden by E.C,'s passing.....we met on the St. Bernard Fire Dept. in the '70s. I remember he was a sports fan as was I. He was the guy who convinced me to go with him to Hidden Oaks Golf Course and learn to hit a golf ball. From that time on we began playing gold on a steady basis. When I retired from the department in 2003, we kind of went our separate ways. After Hurricane Katrina, my wife and I ended up in Covington, La. To our surprise, Eddy knocked on my front door. He told me that he also moved to Covington and informed me of his wife's(Sandra's) illness. Not long after, I attended Sandra's funeral. He was a really nice guy and one of my very best friends. I am so sad to hear about his passing. I feel like a part of me is missing without EC. I call him EC because way back when, in the beginning, we called each other by our initials. I was so glad when EC found Diana.....he deserved to be happy. God bless you my friend. Maybe someday we will meet again and enjoy a round of golf in heaven.....

First met Eddie on the railroad where worked and sometimes played. Also got together for racket ball and golf. Golf was too often laughable for both of us. He was a good friend and is already missed. Prayed for Sandra and him through her illness and death. So glad he and Diana found each other. The smiles on both of their faces in many pictures continues to be a blessing to see. God Bless.
