Wes was one of my classmates at Marietta College, and I spent the summer of 1979 in a shared apartment in Lafayette, LA, with him (and a whole bunch of other guys) while working summer jobs in the oil industry. I lost contact with Wes over the years, but have great memories of him. Rest In Peace. Lyndon Ibele

Worked with Wes at Mitsui for a year. Even though I was the intern, he'd always stop and ask me how my day was. Once I found out we both had mustangs and enjoyed racing, we'd spend hours talking cars in his office! I still have the mustang memorabilia he gave me and I'll always be thankful for the time we spent together. Godspeed Wes!
