Hubert Odell Jenkins

AUG 2, 1936 - APR 9, 2021

Hubert Odell Jenkins, age 84, of Covington, LA passed away on Friday, April 9, 2021. He was born on August 2, 1936 in Bogalusa, LA to Alex and Edna D. Jenkins.

Hubert was a proud veteran, having served four years in the United States Army from May 1961-June 1965. He enjoyed socializing with the members of his community, spending time outdoors, and tending to his yard. He was a fighter who, time and time again, surpassed the odds to stay on this earth a bit longer with the many people he loved. Anyone who spent time with Hubert knew he was a man of few words, but his presence was well pronounced. His perfectly timed chuckles and witty remarks filled any room with a charming sense of warmth. He was the first to offer everyone who walked through his door a cup of coffee, a persimmon from his tree, and a seat at his table. If he ever lent you a spare bedroom or a couch for the night as he was so often inclined to do, you know that he never failed to have a fresh box of Butter Krisp donuts waiting for you when you woke. Hubert's actions spoke louder and more clearly than words ever could. His kind nature and fighting spirit will forever live on in the hearts of his friends and family.

Hubert is survived by his daughters, Stephanie Hadden (Russell), Deidre Jenkins Williams (Patrick), Jennifer Jenkins Tullos, Tonya Jenkins Gros (James); his nine grandchildren, Amanda, Brittany, Madison, Trevor, Blaine, Ariana, Jacob, Lincoln and Lauren; and his four (soon to be five) great-grandchildren.

Hubert is preceded in death by his beloved wife Dolores Lincoln Jenkins, his son Stephen Duck-Jenkins, his eleven siblings and his parents.

Relatives and friends are invited to attend the visitation on Sunday, April 18, 2021 beginning at 2:30 PM at E.J. Fielding Funeral Home, 2260 W 21st Ave, Covington, LA 70433 followed by a memorial service beginning at 5:00 PM.

My fondest memories of Hubert or that he was the kindest and most gentlest man I have ever met. Tell me Hubert was a gentle giant. He cared about everyone he tried to give us all a smile every day when I would see him he would smile he would ask about my family and my fondest memory is those great donuts he brought us at the beauty shop with a cup of coffee. If you needed anything Hubert was there to help he loved everyone and he will be missed and God has another angel in heaven now.

My most wonderful memory of Hubert was he was the kindest and most gentle man I had ever met. He loved his family dearly and they loved him. Hubert would do anything for his family and anyone else that he could help he was always there and always smiled when I saw him. I remember going to the beauty shop and Hubert always brought us coffee and donuts he made the best coffee and he would always ask about my children if they weren't around because my daughter stayed at their house a lot he just made my day started out so good. Well God has another angel to watch over the girls now and Hubert you will never be forgotten.

I was about 11 the first time (1959? Yikes) I met Hubert. Some big get-together at Betty and Huey's. I was pretty happy he and Dolores were finally able to marry after some trying times for both. Of course, no sooner was that a reality than Hubert was so horribly injured in that car accident on Chef Highway. That was the beginning of an altered life them, with dreams that had to be set aside. In spite of all the difficulty, a home was made, Hubert and Dolores raised their family, and all of us enjoyed their company for so many years. And throughout the years Hubert's inner force mystified us - the Eveready Bunny could have learned from his work ethic and discipline! One step at a time appeared to be his unspoken philosophy. And, yes, he was always ready with a fresh pot of coffee; and I do recall those donuts. I said recently that it sure would be nice to go back and soak up some of the good times. Yes it would.
