Laura. you were very precious to Darrell. He loved you a lot. You did what you could and I always respected you for seeing after him. He would say Laura and David and Tracy. He always looked forward on Friday morning to go to the mailbox looking for something from Laura. He would say Look what Laura sent me... He knew what love was. He would call me Grandma And say I love you. After He come out the hospital he would say You said my life but I would say Jesus saved you . So now he is with Jesus. He don't have to go through pain anymore. He had the best smile it was when he was happy. Darrell is gone but never forgotten.Thanks for sharing him with us. Peoples comes in our life for a purpose. Only God knows the mystery... To God be the Glory for Memories. I'll always have him in my heart...I love you Darrell
