I will always have many fond memories growing up and throughout the years of good times with Uncle Jacque and the family. We ate many meals from the bounty he and dad brought home hunting and fishing together. We had many seafood boils at both his home and ours during those times and then there were the reunions and gatherings in Bush where he always had a warm welcome and something fun to say. Now he is home with the Lord, Aunt Linell, and his heavenly family, but will always be with us in our hearts. Sending love, hugs, and prayers for comfort to all my cousins and his family.
