I'm not really sure what to say here..... I've been having a hard time this past week wrapping my head around all of this. It says to share a memory, but there's so many of them that I don't really know where to start. You were such a sweetie and such a diva at the same time :) I will forever miss our trips to Taco's & Beer for our nacho's! Yes, I know.....no meat with extra jalapeno for you! lol I loved that you were ALWAYS there for me no matter what. If I was having a hard time, you would jump in your car and come see me. It's not often that you find someone like that. I'm going to miss you Court. I really will. I know I'm not the only one mama.

Thank you for always being genuine and honest, no matter how much time had lapsed, we always picked up right where we left off. The loss of you is one that can't be digested, please watch over us and help guide us through this grief. I went and got a yellow rose bush to plant at nonna in honor of you And all the sunshine you've brought to my life and everyone ugly met. I love you Court, I look forward to the day we meet again. ♥
