Hey Dude, I remember how you enjoyed making people laugh. You enjoy putting smiles on people's faces. You finally had some luck in your relationship department. Y'all are perfect for each other. Y'all made a lovely family together. It heartbreaking that you had such a rough life. You were to young. You are with your daddy again.

80 years are more y'all will be reunited again. I know you will watching over your family. She had to have her guardian angel watching over her when she got into that wreck. I thought you were her guardian angel. Rip dude
