Janie, you were my wild fearless child, always full of surprises I envied your charisma. Who could always guarantee "never a dull moment?" Janie! I laugh out loud thinking of how you kept me in trouble with Susan. I have missed you so much over the years and hate that we lost touch. You opened your heart and your home to me, and I will forever be grateful for your generosity. Whatever demons you battled in life, they're now at bay. Get your much-needed rest, my friend. Peace. I love you! Caryn James Carter

I met Janie when she was 13 years old - and she was a firecracker even then. We had a lot of fun fun times - she was always up for a party - and if there wasn't one available, she would make one. When I would try to describe Janie to people that had never met her - I would say "Janie was a blast - but you had be aware of who you were dealing with, because if you went out with Janie - you may go to a local bar that night - but wake up in Miami the next morning- wondering how you were going to get home!" So many memories - so much fun - so much laughter - and sometimes tears. I told her many times "you are my party" - and she was! Oh the stories we all have of this free spirited - fun loving - crazy girl that had a heart of gold. It's been a while since we had seen each other - but she was always on my mind and in my heart. Love you Jane Jane - your daddy is waiting for you - give Uncle Ron a big hug for me.
