I was in shock to hear of my cousin Keith's passing. I just saw him at my Mom's services in June. He was my Mom's Godchild. His Aunt Linda. We didn't see each other often but was always glad to see him and visit at family occasions when he he could make it over the years. He was the sweetest most gentle man. There are so many fond memories growing up. Loved vsiting the camp with him, Aunt Jackie and the family. I truly loved my cousin and he will be so missed. Keith I am so glad I got to see you in June. I know my Mom welcomed you with open arms. Give her a big hug for me cuz. My deepest and sincerest condolences go out to everyone. May you find peace and comfort at this difficult time. Keith you will be truly missed and even though we didn't see each other often I loved it when I got to see you. Rest easy and we will see each other again one day. Your cousin Lori

Keith was indeed a kind and gentle soul. I only knew him a very brief time; my dear friend Speedy introduced us and we met for dinner, spoke on the phone a couple of times, and were guests at his home. We prayed and shared our Christian Faith together as well. I only wish I had shared friendship and fellowship for a much longer time with Keith. He will be sorely missed by the many people whose lives he touched while on Earth.

Keith and I have been very good friends since 1983. We met at a gym in Houma. At the time, we were both getting ready for a bodybuilding competition. In the mid 80's, a group of us used to hang out at the night clubs in Thibodeaux...For a short time, we worked together as personal trainers....After he moved away, we didn't see each other as much, only at bodybuilding competitions but we always stayed in touch and remained good friends..... Keith was a great guy.... I will definitely miss him.

"Only The Good Die Young"... yes, ol' Billy Joel was right. I sit and write this with a heavy heart, thinking about our cool times in the past and never imagining I would be writing this... Big Keith my friend, I WILL NEVER FORGET way back in 1990 when we jumped in my van and drove all the way to Atlanta, Georgia so you could compete in the Eastern Seaboard Bodybuilding Championships where you kicked butt representing Louisiana... The fun, the laughs, and the FOOD we ate after the show was over and you were finally off that diet... that weekend is forever tattooed on my brain. Everyone will miss your kindness brother.
