I love you granny and miss you! ❤️ I wish we could of spent more time with you and paw-paw. We were definitely not ready for you or paw-paw to go. We enjoyed all the memories we had with the both of you and wish ya'll were still here. I know you both home tho and you are with your groom. Happy early 67th Anniversary to the both of you. Can't wait for the day we all get to see you again. We love and miss you both so very much. Take care of paw-paw and please don't give him too much hell. Lol 😊 Love always, Rachel, Aliyah, and Payton Naquin.
