I will miss you Ms Rose. It was wonderful to work with you at Rouses. We had a lot of laughs and I have a ton of memories. Now I guess I have to make the carrot cake on my own. You will always be in my thoughts and heart. Love you

I will miss you Aunt Rose. My heart will forever be broken. My sidekick, my confidant, my friend, my mother, my sister, my Aunt. I will always need your love. I will never drink another cup of coffee and not think of the many we shared together with conversations, sharing our deepest secrets and feelings. Crying together / laughing together until we hurt. All of the adventures we went on and trouble we got into. I know you are at peace in that land of love and happiness , made young and whole again. Hug my mother for me there and I'll join you both soon. Save a seat at the table and have the coffee on. Love you - Firever your Girl - Eve
