Kelvin Wesley Adams

DEC 8, 1957 - SEP 7, 2021

Kelvin Wesley Adams passed away on Tuesday, September 7, 2021 in Covington, LA. He was born on December 8, 1957 in New Orleans, Louisiana to the late Joseph Alston Adams and Florence Hart Adams.

Kelvin was the beloved husband of Cheryl Chatham Adams for 43 years. He was the loving father of Katie Adams Wynne (Vincent), Craig Kelvin Adams, and Kevin Wesley Adams.

Kelvin worked for, and retired from, the U.S. Postal Service where he miraculously memorized the name and address of everyone he encountered. He enjoyed making his deliveries and chatting with those fortunate enough to live on his route. After retirement he vowed to spend his time relaxing and enjoying one of his favorite hobbies, fishing, but his need to serve our community could not be quelled. He soon got a part time job at Christwood Retirement community where he was courier to residents and again able to engage in his second favorite hobby: chatting.

Kelvin will be remembered for his indomitable spirit; his humor and his graciousness. He will be remembered for his unwavering commitment to help his family and friends. Kelvin never met a stranger, to know him was to love him, and will be dearly missed by all who knew and loved him.

Due to COVID-19, social distancing is encouraged and masks are required to attend services.

Relatives and friends are invited to attend a Memorial Service at E. J. Fielding Funeral Home, 2260 W 21st Avenue, Covington, LA on Wednesday, September 15, 2021 at 3:00 PM with visitation beginning at 1:30 PM until service time.

E. J. Fielding Funeral Home has been entrusted with the arrangements. The family invites you to share thoughts, fond memories, and condolences online at E. J. Fielding Funeral Home Guest Book at www.ejfieldingfh.com.

I am heartbroken to hear the sad news of Kelvin's passing. Kelvin was an honest, generous, hardworking family man whom I was very lucky to call a friend. I came to know Kelvin through my postal connection with his brother in law Teryl Chatham. Both families adopted me into their extended families, and for that I am ever so grateful. We shared awesome ski vacations together to Colorado, MS Tour for Cure bike adventures and many holiday celebrations over the years. Halloween at the Adams family was not to be missed! Smiles and fun abounded at all of these amazing gatherings, and Kelvin was a big part of it all. My condolences to the Adams and Chatham families at this time of sorrow. I will miss Kelvin too. Mu husband and I were two of the many people on Kelvin's mail route in November of 1997 when a tornado severely damaged our home on 11th Avenue. After a few days when the street was cleared, he drove up, saw our shock and bewilderment, and saw that the mailbox was destroyed, along with portions of the house and yard, and said, " You have your hands full. Don't worry about a thing. I'll take care of your mail and arrange to have it held." And he did. He was a wonderful conversationalist and an all-around kind man who was unfailingly delightful to see on his route, I am so sorry for your loss - he always spoke with a smile of his family.

Who would have ever thought on this day I was running down river road I would have run into a guy who would connect me with Covington La. I was in the seminary studying to be a priest and I think God wanted me to meet Kelvin and his brother in law Terryll. This would change my life and the course it would take. I met such a wonderful family led wonderful men. I felt like a part of the family. I will never forget meeting this great family and it was all because God put Kelvin Adama on my path that day. I pray for this family and know that they will always be a part of my life. With all my Love Joe Connick.
