To my great nephew I never got to meet you .But boy you are loved 😊 too the moon 😊 andback. You ROCK. When you were 1st born your Grandma told me your name and I told her what a special name Kayvan Paul is. Because I have a grandson and his name is Kaiden Anthony I thought that was great 👍 . And I told K that he has a new cousin named Kayvan . He told me to tell him awesome 😎 name. But now we have to bury our kid's instead of them burying us. That's not fair. But God needs them now. More than we need them. Boy they really Are special. But don't despair when we think about them (my Melissa) and your Kayvan . BoyHow SPECIAL are our Kids . And how selfish I am. May god bless your family as we go through this tomorrow. And the time it's going to takeTo get through this . But God never puts on us more than we can handle. Trust in the Lord thyGod. 😊🙏🙏🙏🙏🙏 And we will get through this he promised. AMEN. From Uncle BO & Aunt Judy Rucker and there cousins.
