Love, is what Vicky walked and talked! My sister was such an inspiration to me and all who came into her journey. I'm still so shocked , 10 days ago Vicky was happy and sharing her love for her great new grandson coming soon. I will always cherish the greatest gifts of memories and all the material gifts she spoiled my family with. She was a shopper,a generous person, a caring person, and most of all loved having family gathering. I will miss my long telephone conversation as we called it solving the world.She was the glue at the Folsom compound taking care of everyone. Her joy was giving!! pray for Bridget, Joesph, Kim, Dawn, Jeff, Teddy, Joey,Abbie, Angie, Dylon, and all the kids to cherish the memories and choice to love like Vicky!Vicky, I love you and I will miss you. I know how much you missed Ray. Enjoy your reunion and eternal life with our Lord and your love ones. May God's perpetual light shine on you!Love, Sherrie

I will always thank her for bringing me back into the Burst family. She was not only my cousin she became my great friend. I had so many late night talks, she got me to join the Red Hat Sisters Club. We always had so much fun once a month for laughs and dinner. She so enjoyed the gathering for holidays and just to get together. I will miss you dearly my friend. With love your cousin JoAnn

Giver...is how to describe Ms Vicky.I couldn't believe that Ms Vicky would be so accepting of a woman with 3 children marrying her only son...but not just that...she truly spoiled our children and claimed them as her grandchildren to others even before Joseph and I were married!!'ll never forget that first Christmas she came over to my house when Joe and I were dating with soooo many presents for ALL of us!!!! The game we played for secret treasure 🕵️ and we've played ever since will be our favorite memories. The rolls of \$1 dollar bills 📄 were always a favorite!No words will help heal the pain in our heart, but praying for strength to be more of a giver like Ms Vicky! Praying to be the best wife to her son while he navigates this world without her in it 🙏 We know she is happy in heaven with her loved ones and will send us signs to let us know she is always near in our hearts! We love you, Mom ❤️💜🌸🌺

Vicky will be another angel in heaven - she was a very kind, loving, giving person and matriarch of her family. Vicky called us once a month to see how Uncle Ronnie and Auntie were doing and if we needed anything. She will be sadly missed. So sorry we cannot be with the family at this time, know our love and prayers are with all of you.Auntie and Uncle Ronnie
