Obituary

Gavin Michael Marcel

MAY 23, 1985 - DEC 14, 2021

Gavin loved to laugh. He seemed to make it his mission to collect a smile from every person he came into contact with. He was a big-hearted and devoted friend to anyone and everyone - never knowing a stranger - and would gladly give anything he had if they needed it. He believed wholeheartedly in compassion, and gave it fully without ever expecting in return.

Gavin also loved to talk. Much like Google, a simple question - a simple word, even - could cause him to pull one of thousands of possible subjects from the ever expansive database that was his mind and turn anyone into his captive TED talk audience. From the advancements of Science and Technology, to the Mandela Effect and Quantum Theory, to the Lord of the Rings and the Marvel Cinematic Universe; there was never a subject that Gavin wouldn't want to discuss. You never walked away from him without a little more knowledge... which is always what he aimed for.

Above all things, Gavin loved his family; both the family he was born with, and the family he gained when he met the love of his life. His greatest pride was being a Son, a Brother, a Grandson, an Uncle, a Parrain, a Husband, and a Father.
