Uncle Harry.... You were such a part of my life and family that I didn't even know you weren't blood till I was a teen. Goes to show ... blood doesn't make a family... love does. Thank you for loving my parents so much. Thank you for being their loyal, loving, funniest and kindest friend/brother. Thank you for being there for mommy and I after pop passed. Thank you for being uncle Harry all these years. I will miss your hugs more than words can express. The world has gotten less fun and darker without my trio. Hug mom and pop for me and y'all keep the heavens well entertained till I hopefully get there some day. Love you.
