Herbert Hewitt Nuttli, age 92, of Mandeville passed away peacefully at his home on Tuesday, March 29, 2022. He was born on November 22, 1929 in St. Louis, MO to Otto Peter Nuttli and Marie Bertha Wehinger.

A native of St. Louis, Missouri and longtime resident of Mandeville, LA, Herb was a parishioner of Our Lady of the Lake Catholic Church. Herb graduated from St. Louis University with a degree in geophysics and worked for Shell Oil Company from graduation until retirement. He enjoyed playing tennis at Country Club Homes in Metairie, Glen Shores in Mandeville, and Franco’s in Covington. Herb and LaVerne enjoyed traveling both domestically and internationally and had a special love of National Parks. At Our Lady of the Lake, Herb was an active member of the St. Vincent de Paul Society. In LaVerne’s final years, Herb cared for her with great love and devotion. His humble spirit and kind nature are fondly remembered by many. His family appreciated his sense of humor and easy-going attitude in the midst of twelve busy and high-spirited grandchildren. Dear Tom and Family, We just learned of your Dad's passing and sorry that we were unable to be there for the funeral. When I started my career with Shell in Los Angeles in 1961, Herb was one of the geophysicists on the team that I joined and he taught me many important things. We met again when both of our families were neighbors in Metairie, La. Herb and I worked for a number of years on the same exploration teams and his technical contributions were always noteworthy. Please accept our condolences. We will not forget him. Bob and Fran Quitzau.

My deepest sympathies to the family. My late father, Louis Durio, said Herbert Nuttli was one of the best Geophysicists he had ever met. Very fine father too and raised lovely children who all excelled academically. My thoughts and prayers will be with you in your loss. He and his generation made this country. Adele Durio Knauer
