Keith Alan Long

APR 12, 1959 - APR 28, 2022

K eith Alan Long, age 63 of Covington, entered eternal rest peacefully Thursday afternoon, April 28, 2022 at his residence. He was born in Key West, Florida on April 12, 1959 to the late Robert A. and Mary Shirley Stamps Long. Keith is preceded in death by his brother Kevin Long.

He is survived by his beloved wife Leslie Salter Long of 33 years. He will be sadly missed by his children Travis, Paige (Carlos), Joseph Dylan, and Morgan, as well as his brother Bryan Long (Heather) and Uncle Robert G. Stamps. His greatest joy was spending time with his grandchildren Willa Long, Grace, Carlie, and Miguel Deleon. Keith was cherished by his brothers and sisters-in-law and his cousins Elliot Stamps and Judy Macmillian (Randy). He leaves behind many nieces and nephews who loved their crazy uncle.

Keith grew up in New Orleans and graduated from De La Salle High School in 1977 where he played football, ran track, and was a member of the marching band. He attended Louisiana State University, and after earning his bachelor's degree, he started a 40-year career in the Oil and Gas Industry. He has done everything from working the rig floor to owning and operating his own oil fields. He loved technology and was proud to have created the Louisiana Desktop Well Reference while working for the Center for Energy Studies at LSU.

He enjoyed coaching his kid's sports teams and taking them on daddy trips. He looked forward to the Christmas season especially the Northshore Oilman's Christmas Party, which he co-founded. He loved music, parties, spending time with family, and many afternoons he could be found at one of his favorite watering holes.

Keith was generous, bold and one of a kind, and will be dearly missed by all who knew and loved him.

I'm in shock hearing this after being out of town for an extended period. I'm so sad I missed the service and visitation. Keith was certainly one of a kind. Lived so much the times at St Paul's watching the boys play ball. Quick witted and always in a jovial state. Gonna miss those conversations greatly. Gerard daigle

I was shocked to see Keith had passed. We just spoke on April 18th as we had been doing for the past 30 years. I met Keith while in Denver working at Petroleum Information and we had several get togethers over the years when I would travel to Houston. Our sarcastic natures led to many laughs and I will miss that tremendously. Keith always updated me on his family and I remember looking in the paper every Sunday to see how Dylan did at McNeese that week, he loved his family! Everytime caller ID showed Keith Long I knew the next thing I would hear would be "what's up you gay monkey", and that's something I will miss hearing. RIP my "slightly overweight friend", I won't forget.

This really hurts Keith. You always kick yourself when you realize all the missed opportunities to spend time with a dear friend after you can't anymore. Every year for the last 10 we've talked about going to the DLS Alumni Summer Dance... and didn't. Every year you'd invite me to the Christmas DLS football get together at Dickie's and I'd miss it. This morning I passed the St. Peter's fair and thought of calling you to meet up there tonight... later I saw Paige's message and my Heart sunk. I miss YOU Buddy... Love You ❤️❤️

My sincerest condolences to the Long family. I met Keith 26+ years ago when I started at LOGA and he was at LSU PTTC. We were friends throughout all these years. CeCe
