I worked with Deborah for many years through my position at the Louisiana Department of Education, especially in my role of Director of Migrant Education. Deborah was tireless in her dedication to children and to the programs she over saw. She was a strong advocate for migrant education and she helped build a strong and vibrant program in Tangipahoa. I am deeply saddened by the news of her passing and will always cherish my memories of working with her. I am honored to have known her. I know she will be deeply missed.

I'm so sad and shocked to see this. The Forshag home was a 2nd home to many of us growing up. Ms. Deborah would always have something to say, something to teach and always, always something to eat. She made everyone feel welcome as if we were part of the family. Countless memories were made and I'm so grateful Mr, Cooper, Carley and Ellen allowed us to be part of the experience! Rest in Peace Ms. Deborah.

So many wonderful childhood memories with Carley, Mrs. Deborah and family at their home. Many of our wild Friday nights after cruising the streets were spent, sitting by the stove engaged in conversation and laughter. I am so sorry Carley, Ellen and Mr. Cooper. My loving thoughts and prayers are with you. - Heather

Deborah... my sister in love... for 60 years. I have always admired your ability to lead those around you. Your family, your friends, your coworkers and your little church in Amite just to name a few. You have now led us all into the pearly gates and we will follow you when God is ready for each of us. Until then let us all strive to be what God has intended for us. I love you and will continue to love you and your precious family in my prayers . Aunt Gail
