Although Cara and I have not known Hank that long, we are glad we were able to become good friends with he and Jo. Cara enjoyed the times she was able to assist Hank in cooking a special meal, and I enjoyed every meal he cooked. Robert

Lots of love and prayers for Jo, Kecia, Robbie, Scott, and the whole family. Hank was one of a kind! He was steadfast in his beliefs, planned dinner to the minute for our get-togethers, loved football and scotch, and could be the sweetest man when he put his mind to it! I have great memories to hold onto! I love that when I brought Gar up to the cabin to meet Jo and Hank, that Hank grilled Gar to find out what his intentions were. ❤️ He told me it was his duty since both of my parents were already gone. 😞. He called me his "blonde daughter", and I will always hold that close to my heart. Raise a glass to Hank! Rest In Peace.

Just found about Hank's death in March, 2024. Wish I had known back in Oct ,2022. Hank and i were extremely close at Pascagoula, MS High School graduating May 1956. We roomed together 2 years at Miss State, he majored in Petroleum Geology and i in Mechanical Engineering. We had wonderful times climbing water towers and riding motorcycles. I always loved his mother's cooking. May God bless the Kelly family.George Martin bogee629@bellsouth.net.
