My husband, Joel, and I have so many fond memories from our early days of starting St. Timothy's. Janet and Joe and their family were loved and respected by all of us. A couple of months ago she contacted me to "pick my brain" about some memories of the past concerning the church. It was so good to talk with her and catch up. Our sympathies to all the family, especially "Toots". Alice Payne

I remember the many hundreds (more likely thousands) of volunteer hours she gave to our public schools. She always had a smile for everyone and a ready laugh to lighten the day. She was a role model to so many who knew and admired her. I know how deeply her loss will be felt by our community and, especially, her family.
