Years ago downtown Mesa had an art show and they had a lot of different vendors in 2010 I purchased a beautiful book holder that she made I'm so glad I purchased it because I almost didn't get it. 16 years later and it's still in my possession. I looked her up to see if I could purchase some more book markers because they're so beautiful I just may she had passed. My condolences and she truly was artistic and creative
