So very sad to hear that Russell has passed away...so many fond memories of the "gang" of boys who hung out together in Rosedown. We could always find them by the bikes piled on someone's driveway. Love and prayers to all of you, Wendi, Richie, and Rick! The Opsal Family: Carol, Steve, Jeff and Tim

Bullock Family - Your loss is also being felt by many of us at HCA who had the great pleasure of working with Russell. He was extremely talented, but I appreciated him even more for always showing up with a big smile, and treating me with patience and kindness. I will miss him greatly. - Diane Boyer

Russell will be sorely missed here at HCA. He made a tense situation calm by just walking in the room. The office will not be the same without him. You all are in my thoughts and prayers. May he rest in peace.

Russel Bullock, so so many memories... growing up. Richie was one of closest and best friends like a brother....which made you like a little brother. Over the years we became much closer and played music and wrote music together and you always had the best ideas and we're always thinking ahead of your bright future in the music industry from Innermost to City Below to Future Leaders, then you took off to get a degree at Full Sail and after moved to Nashville...kinda when we lost touch. But I'll still cherish all the times we spent together as when you were with me I made sure you were safe and sound in any fashion....you were so so so much Loved by your Family and Friends and you had such a Bright 🌟 future. So so talented at everything you put your mind to. You will be sorely missed and never forgotten. I'd love to talk to Richie or Wendi as soon as they feel ready, cause I want to be there for them. The last time I spoke with Wendi was after my mom passed away and she told me how sorry she was and offered me her support. Anyways I just wanna let you all know I'm here for you.. I love you all like Family even though it's been so long. But that's not what's important right now. Please remember Jesus will carry you when you can't walk and will hold you in His hands . Again I love you all. Justin Amato.
