Cole Richardson

OCT 12, 1990 - JAN 29, 2023

David Aaron Cole Richardson, a loving son, brother, uncle, and friend went to his eternal home on January 29, 2023. Cole was born on October 12, 1990 in Ruston, Louisiana.

Cole is survived by his parents, Peter and Annie Richardson; his sister Taylor Richardson Burt (brother-in-law, Alex Burt); his nieces, Blake and Haas, his girlfriend, Sarah Kidd, many aunts, uncles, and loving cousins. Cole was preceded in death by his paternal grandparents, Joseph Francis Richardson and Beatrice Gail Read; and his maternal grandparents, Dr. David Weinstein and Johnice Hirsch Weinstein.

Cole graduated from Ruston High School in 2009, where he was a standout wide receiver and tight end for the Bearcat football team. Following high school, Cole fulfilled his childhood dream of playing football for the LSU Tigers and proudly graduated from LSU with a Bachelor of Science in Business Administration. Cole was also a well-loved member of Kappa Sigma Fraternity through which he formed many long-lasting friendships. Cole was a realtor with the firm Talbot Realty Group in New Orleans, LA while expanding his professional career with Infenergy Solar.

Cole loved the outdoors and all sports, not only for the fresh air and adventure, but because this was where he spent time with family, friends, and loved ones - Cole's most valued treasures. He spent most of his life hunting and fishing at Little Mo Loop in Mer Rouge, LA with his Dad, his yellow lab, Chief, and friends. Cole looked forward to family vacations, annual beach trips with his family and friends - especially his beloved nieces. The relationship he had with his nieces was like no other. They shared an unbreakable bond with their "Lee Lee".

Cole was known for his infamous good looks, cunning charm, infectious smile, witty sense of humor, and most of all his gentle, loving spirit. Cole was often times larger than life and lit up every room. He knew no strangers and left a memorable, positive imprint on those who were

I am at a total loss of words. My heart hurts so much for all his family and friends. He touched my life at 5 years old and adored him still. I still have my bracelet that he made way back when he and Peter went fishing. The next Monday Peter came to me and said "Cole was to busy making Ms.Missy a bracelet and couldnt fish until he finished it." I still have it and will treasure it forever! Prayers and a lot of hugs! ❤️

This news just crushes my heart . Oh how I loved him as a little third grader. He was a precious child whom I absolutely adored-so full of energy and life and such a kind heart. No matter where my students go they always take a piece of my heart with them. May God bless his precious soul. To Peter, Annie, Taylor and the rest of his family, I pray for that peace that only Our Lord can provide. Much loved. Pat Stevens
